

Holy Spirit, Come [Lyrics, 126 bpm]

[Vineyard Anaheim] by Paul Arend, Jeremy Riddle, Kathryn Scott and Matt Mainhard

Verse 1

Spirit we're asking You
Send living waters to
Fall on this weary land again

We need what's in Your heart
It's not just Your gifts we want
Please come and visit as the rain

Pre-Chorus

Fall on us we pray

Chorus

Holy Spirit come and flood every part of us
Holy Spirit come and flood every part of us

Verse 2

Spirit, it's you we need
Like fountains from the deep
Flow as a river running wide

Please share what's in Your heart
We'll yield to what You want
Your words are leadership and life

Pre-Chorus 2

Come and purify

Bridge

You are wind and You are fire
You are presence, You are power
Come rest upon Your church again

You are healer, You are helper
You are comfort, You are shelter
Restore our hearts in reverence
