

# Returning [Lyrics, 150 bpm]

[Vineyard Anaheim] by Jeremy Riddle

## Verse 1

I remember the heights  
From which I have fallen  
I remember my tears  
All the hunger and longing

I remember the fire  
Of Your Spirit upon me

And how I moved with Your Heart  
Oh come now restore me

## Chorus 1

I'm in earnest and I repent  
I remember and return  
Do the things I did at first  
I'll be zealous and I'll repent  
I'll remember and return  
Do the things I did at first  
First, first, I'm returning  
my first love.

## Verse 2

So here is my heart  
Come and wound me with longing  
Let your refiner's fire  
Come and have it's way fully  
Till righteousness flows  
Like a flood from within me  
Till the zeal of the Lord  
Completely consumes me

## Chorus 2

I'm in earnest and I repent  
I remember and return  
Do the things I did at first  
I'll be zealous and I'll repent  
I'll remember and return  
Do the things I did at first  
First, first, first love  
You're my first, first, first,  
I'm returning to my first love, Lord.
